Welcome to life

The District of Paderborn
welcomes its newborns

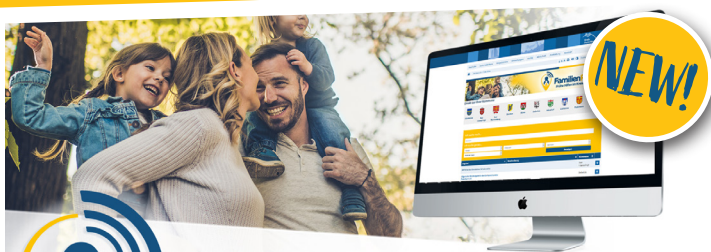

Dear parents,

having a child is wonderful. From this day forward, everyday will bring you happiness, joy and exciting changes. Irrespective of whether you are a first time parent or if you already have children, there can always be insecurities and challenges about new daily routines and parenting, as well as employment and financial matters.

The District of Paderborn would like to personally welcome all newborns with an introductory package and a small gift.

Four to six weeks after the birth of your child, you will receive a welcome letter with a personal appointment for a home visit. If the date is not convenient, the appointment can be rescheduled via e-mail or telephone.

A personal appointment will allow time for any issues concerning you as a parent.
